Itinerary Changes

Drag Stars and Virgin have carefully planned this itinerary for maximum enjoyment of all our ports and the ship. Although we do our best to adhere to published ports and times, unforeseen weather and/or sea conditions may force us to alter the itinerary.

In the unlikely event of an itinerary change while sailing, we will communicate our new plan both through ship wide (outside of cabin) announcements and through an updated app notice. Neither Drag Stars nor Virgin shall be held liable for any damages resulting from any itinerary change according to your Passenger Cruise Contract.

Review Your Boarding Documents

A valid passport is the best way to travel and should be valid at least through April 15, 2026. However, US citizens and permanent residents can travel with a valid Government issues photo ID and copy of your birth certificate or green card.

Please note that it is your responsibility to have the necessary documentation before boarding the ship. Failure to provide proper and valid documentation will result in denied boarding, and no refund will be provided.

Register With Virgin Voyages

Please take time now to register online with Virgin using the Virgin Voyages App, available for free in the app store on Apple or Android. It only takes a few minutes and will assure that you can embark in a speedy manner.

If you haven't already received it, you will receive a booking number and confirmation directly from Drag Stars by email with details on how to register online.

If you haven't received a Virgin booking number, please don't worry -- we can sort it all out at the pier terminal upon arrival.

Please note that each room has only one Virgin Booking Number assigned. If your roommate or partner didn't receive their own email, it's probably because we only had this one on file for both of you. They will use the same booking number for registration.

Should you encounter any issues registering with Virgin, please contact our office at +1 (323) 673-5700 and we will do our best to assist you. Again, please do not worry, as it will not affect your booking status or ability to board.

Important Note for iOS Users:

Room service (Ship Eats) and the "Shake for Champagne" feature are only available through the previous version of the app (now called the Original Sailor App). If you plan to use either service during your cruise, be sure to download and keep the old app installed on your device.

Gurl. Get Ready!

Customize Your Experience

Once registered with Virgin, you can do several things to customize your experience onboard and off.

A Bar Tab option is available prior to departure, letting you buy a pre-paid bar tab and receive an extra free credit amount by purchasing in advance. See the app for more details.

You can also book Shore Things to explore these incredible ports with some incredible offerings. You'll find details, duration, and prices on the *Virgin Voyages App* by visiting the Discover tab, or by visiting the Shore Things desk onboard.

Drag Stars has worked closely with Virgin to enhance and develop excursions that will be fun and exciting for our group. We highly recommend making a plan before departure to get the most out of your holiday.

Review Your Flight Plans

If you're flying into Miami make sure you allow enough time to arrive at the pier no later than 5 pm.

For departure, flights should not be booked before 11 am on October 19 from Miami.

Before You

Packing Advice

Drag Stars emphasizes a casual, comfortable atmosphere with no specified dress code. Sportswear and casual resort attire are always appropriate. There are no formal nights and no need for a jacket and tie.

Our only request is that you show a little good taste and respect for our other sailors at dinner time. That means no gym-like tank tops, gym shorts, super-revealing party outfits, and the like. It's a request, and everyone will appreciate it.

Plan for warm, even hot weather with slightly cooler breezes at night. We recommend loose, comfortable cotton and other lightweight clothing. Don't forget a hat!

Except for the above notes, our ports are very relaxed with no dress codes. We suggest casual resort wear and some comfortable shoes. Daytime at sea is time for swimwear and flip-flops. Bring lots of sunblock.

Currency Advice

The entire ship operates on U.S. Dollars, and all ports accept US currency as payment, either directly or with a credit card. There is no need to exchange money or worry about local currencies.

We recommend using a credit card if possible and always selecting the "local currency" option to avoid transaction fees.

Prohibited Items

Please do not bring any of the following onboard, and do not place these items in your checked luggage: irons (including travel steamers), alcoholic beverages, knives, firearms, power strips, or any other potentially dangerous items.

If your luggage contains any of the above items, your bag will be held at security and will not be delivered to your stateroom. Full details on prohibited items can be found on the Virgin Voyages website.

<https://www.virginvoyages.com/safety-security/prohibited-items>

Weather Forecast

Weather in the Caribbean is usually very pleasant and warm. You can expect high temperatures around 85 °F / 27 °C and lows around 70 °F / 20 °C. Rain is always a possibility, but we do our best to avoid it. It will feel cooler onboard the ship due to wind.

Before You *go go*

Embarkation *Day!*

Getting to The Port of Miami

Valiant Lady will sail from Virgin's fabulous new terminal!

Port Miami

Terminal V

718 N Cruise Blvd

Miami, FL 33132

The port is about 20 minutes from the airport. Taxis and Uber are the best way to get to the port. Parking is available for a daily fee.

Important Check-In Time Information

Embarkation starts at 1:30 pm, and the pier is NOT open earlier. If you show up before that time, you will be standing in line outside.

When you register with Virgin, you are assigned a designated arrival time. To ensure a great experience for all, we ask that you adhere to your assigned arrival time. Sailors arriving earlier or later than their assigned times will be asked to wait until the guests with the correct appointments have been embarked.

There's plenty of time to check in, and check-in is open until 5 pm. If you have not been able to register yet or receive a check-in time, we ask that you arrive after 3:30 pm.

Thank you in advance for your cooperation and participation in making everyone's check-in smooth and seamless.

What Do I Need to Check-In?

Since your reservation is electronic, all you need is your valid ID to travel and a credit card to check-in.

You will then be issued a wearable token, which will serve as your room key and identification card for all things onboard!

If you registered correctly through the app, this will only take a minute or two!

Alcoholic Beverages & Other Restrictions

Guests are allowed to bring two (2) 750mL bottles of wine per cabin in carry-on bags and a corkage fee will be charged for onboard consumption. No beer or hard liquor may be brought onboard for consumption.

Any alcohol placed in checked baggage or carried on will be removed and held for you until the end of your voyage. Alcohol purchased onboard or in port will be held in secure storage and delivered to your stateroom on the last night of the cruise.

Embarkation *Day!*

Lost Luggage Assistance

If your luggage does not arrive with you, please do all the following:

1. Get a complete report from the airline, including your luggage's original bag receipt and tracking number. Make sure that you tell the airline that you are boarding *Virgin Valiant Lady*.
2. Upon arrival on the ship, go immediately to sailor services, where they will make a copy of your lost baggage report. The ship will attempt to track your luggage and follow up directly with the airlines.
3. Be patient. Depending on the airline, it might arrive prior to sailing. Our port agents will attempt to deliver any lost luggage directly to your room in concert with the ship. If your luggage does not arrive, they will keep you informed with the latest news from your airline.

Please understand that neither Virgin Voyages nor Drag Stars has lost your luggage. We can only assist you in recovering your luggage from the airline and in communicating with them. Ultimately, the airline is responsible to you for any loss or inconvenience you encounter. However, in our experience, most bags turn up in the first 48 hours.

Drag Stars *Experience*

Drag Stars Daily Program

All events and entertainment schedules can be found both on the Virgin Voyages App and on screens throughout the ship. When in doubt of a time/schedule/event, please review the video screens throughout the ship.

A printed copy of the day's schedule, called "Glance At The Day" is also available in the following areas: Sailor Services on Deck 5, the Chart Room on Deck 7, and the Grounds Club on Deck 7. On embarkation day, this will be delivered to your stateroom.

Team & Information Desk

Our Drag Stars staff will be on hand throughout your trip to host and assist with every aspect of your vacation. Please don't hesitate to ask any of us if you have a question or require assistance. We are available 24 hours a day, and always wear Drag Stars name badges.

We also offer a general information desk located adjacent to Sailor Services on Deck 5. Hours vary and are posted at the desk and in the daily schedule.

Drag Stars staff can also be reached through Sailor Services at any time.

No Solicitation Policy

Drag Stars does not allow our guests to solicit other guests for any service or business while onboard our cruises. Please respect our other guests' right to enjoy themselves in an advertising-free environment.

Any guest that violates this policy by distributing materials, voice mails, or other sales communications to our guests will be subject to a \$2,500 USD fine applied directly to their onboard account. Thank you for your understanding.

Social Media Policy

While we want everyone to have fun, there are limits and so we ask that you be respectful of all guests and our cruise partners. Please do not post anything explicit on social media in a public forum or space. Any guest who posts any explicit and publicly visible photo or video will be asked to leave the ship with no refund. Thank you for understanding and keeping Drag Stars friendly!

After 7 pm, all restaurants are open for walk-ins only to give you maximum flexibility.

When you come to any of our restaurants, Virgin and Drag Stars staff will offer you the opportunity to join our other guests and share a meal. We encourage joining as it's the best way to meet people, but you're always welcome to dine on your own.

Dining Information

Special Diets

All dietary restrictions and allergies should be communicated directly to Virgin in advance of our sailing, and can also be input in the *Virgin Voyages App*. As an abundance of caution, we also ask that you communicate any special dietary requests including allergies to the Maitre D' at the entrance to any of restaurants.

Vegetarian and vegan options are available everywhere -- especially in Razzle Dazzle - and need no advance notification.

Ship Eats

Virgin's Ship Eats (Room Service) is available 24 hours a day. See the menu on the app for a complete selection and ordering instructions. Please recognize that the staff handling room service has limited capabilities. If you're looking for a quick snack, we highly recommend the Galley which is open virtually all the time.

Beverage Packages & Bar Tab

Virgin does not offer beverage packages, but you can purchase a pre-paid "bar tab" in advance of sailing via the Virgin Voyages App that gives you a credit beyond the cost of your payment.

Sustainability Notes

Virgin operates an environment with no single-use plastics. Water is readily available throughout the ship at complimentary filter stations. If you have a favorite vessel for water, you might want to bring it along, or buy a smart Virgin one onboard.

Onboard *Valiant Lady*

Personal Funds & Shipboard Charges

The currency onboard is U.S. Dollars. Virgin operates on a cashless system. You can validate your Virgin wearable with your Visa, MasterCard, Diner's Club, or American Express card, or settle your account by cash. Guests can then sign all onboard services and purchases to their account. At the end of the cruise, you will receive a completely itemized statement by email or in the app.

For your convenience, the ship has an onboard ATM machine that dispenses U.S. currency. Bank debit cards on the PLUS and CIRRUS networks are accepted along with the following credit cards: American Express, Discover/Novus, MasterCard and VISA are accepted. Fees will be charged per transaction.

Customs & Immigration at Sea

Upon embarkation customs and immigration officials will inspect our guests and the ship. Normally, this occurs without your knowledge or participation. Occasionally, passengers are called for inspection. In these cases, please follow the instructions provided to assure that we are able to disembark in a timely manner in each port.

While we shouldn't have to say this, illegal substances, weapons, hazardous materials, or other restricted items are strictly prohibited. Any guest found with illegal substances of any kind will be removed from the ship at the next port of call and turned over to local authorities.

Drag Stars and Virgin both have a zero-tolerance policy for all illegal substances.

Sailor Conduct Policy

Please remember that all our guests are bound by Virgin Voyages' Sailor Conduct Policy. The policy is intended to help ensure that all guests can participate in a safe and enjoyable cruise experience and sets forth standards of conduct for guests to follow throughout their vacation. Please take a minute to read this policy on the Virgin Voyages website:

[Sailor Conduct Policy](#)

Room Features

The rooms on *Valiant Lady* are extremely comfortable and modern. The ship has both 110 (US standard) and 220 (European) voltage power outlets in the rooms, as well as multiple USB-A charging ports."

All the water onboard is filtered and potable. Additional amenities include an interactive TV & tablet, and 24-hour ShipEats room service.

Onboard *Valiant Lady*

Laundry & Dry-Cleaning Services

Laundry, dry cleaning, spot removal, and pressing services are available for an additional fee. Laundry bags and service request forms are in your room. Ask your cabin steward for details.

There are no irons in staterooms as they constitute a fire hazard. There are also no self-service laundry facilities onboard.

Service Charges and Tipping

Virgin Voyages operates on a no-tipping policy, so there is no tipping required or expected at any time. No additional tipping to these service personnel is needed but may be extended at your discretion if the service is exceptional.

Smoking & Vaping Policy

For the comfort of all of our guests, all indoor areas on the ship are nonsmoking. Smoking is permitted only in certain areas on open decks. As a courtesy to our guests, ship personnel will thoroughly enforce the smoking policy.

Smoking is not allowed on stateroom balconies at any time.

Please note that Drag Stars and/or Virgin reserves the right to change the smoking policy at any time depending on guest requirements. A complete detail of the smoking areas onboard can be found on the Virgin Voyages App.

If You Have a Problem or Question

Both the Sailor Services and the Drag Stars Information Desk can handle most difficulties you may encounter. Generally, issues relating to your stateroom, the ship, schedules, or billing should be directed to Sailor Services. Questions regarding entertainment, service, Drag Stars policies, special requests, or anything else should be directed to the Drag Stars Desk.

If the Drag Stars Desk is unattended, please feel free to ask any Team Drag Stars member, and we will happily assist you.

Wellness Onboard

Valiant Lady features a stunningly beautiful spa offering a fantastic range of services, including massage, facials, aromatherapy, hair styling, and much more. Take a look on Deck 5 -- you'll be amazed as it doesn't look like anything else at sea!

Appointments for these services should be made early in your cruise, as many of the services book up early. All spa services are an additional charge which can be signed to your stateroom.

There's also a fully equipped fitness center on deck 15 featuring the latest cardio and strength training equipment along with the most innovative classes at sea. All at no extra charge!

Onboard *Valiant Lady*

Stateroom Safe

All staterooms and suites are equipped with a personal safe. We recommend that you not leave valuables, jewelry, or money unsecured in your stateroom. Although every effort is made to safeguard staterooms, Virgin Voyages will not accept any responsibility for the loss or damage of any valuables left unsecured.

If you are participating in the roommate share program, please discuss the use of your safe with your roommate. No additional safes can be provided.

Medical Services

If you require medical attention while on board, an infirmary staff can assist you 24 hours a day. A doctor is available to render services at a customary charge. The infirmary can provide treatment for minor matters that may arise during your cruise and can assess and stabilize most medical emergencies. Should you require treatment for a serious condition requiring hospitalization, arrangements may be made to transfer you to a medical facility ashore. While at sea, the ability to transfer you to a shoreside facility may be limited or delayed by weather or logistical considerations. If you are currently suffering from a serious medical condition, please consult your physician before sailing. Virgin's doctors are independent contractors.

Internet Onboard

Valiant Lady offers complimentary WiFi Internet access to all sailors, with paid upgrades available to add premium services, speed, and additional devices. Details can be found in the App, or by speaking with Sailor Services onboard.

Cell Phone Access Onboard

Valiant Lady is equipped to allow your mobile phone to work onboard. Please note that roaming charges apply, and will be billed directly by your home carrier. Rates vary by carrier, but can be considerably cheaper than using the satellite phones. Check with your carrier prior to sailing for specific rates.

We recommend turning all mobile broadband devices to "Airplane Mode" while onboard to avoid any excessive charges.

This access only works while at sea. When in port, your local land operator's roaming charges will apply.

Onboard *Valiant Lady*

Important Health Notice -- Please Read!

If you should come down with a contagious disease or even suspect a contagious disease, it's compulsory that you report it to the ship's infirmary for the safety of everyone on board. Should you be on any medication or want the medical staff to be aware of any special needs, please contact the infirmary. This will ensure that they will be prepared should you need assistance.

In rare instances, the ship's medical staff may determine that your medical condition will require you to be quarantined in your stateroom to protect the health of our other guests. While both Virgin and Drag Stars will make every effort to make you comfortable in such a situation, we are unable to compensate lost vacation time due to quarantine.

Please note that the ship follows C.D.C. guidelines on all quarantine issues, and there is little flexibility in applying the rules, particularly where gastrointestinal symptoms are present.

As always, we highly recommend travel insurance to assist with unforeseen costs and reimbursement for missed vacation time due to illness. If you do not have travel insurance, it can be purchased virtually right up to departure time. Please note that this includes COVID-related quarantines and no credit or refund is issued for any lost time. This is why we strongly recommend Travel Insurance!

After We Arrive

Arrival Into Miami

We'll arrive Miami around 7 am and disembarkation with Virgin is a relaxed "hotel-style" experience from our arrival until around 10:30 am. Breakfast will be served as normal in all restaurants and you have plenty of time to leave at your leisure.

We do not recommend flights out of the Miami airport before 11 am.
